**Bromont in
Brome-Missisquoi,
a promising
alliance!**

Bromont, ally of a green and healthy environment

On behalf of the Brome-Missisquoi MRC and CLD, I would like to welcome the town of Bromont, which joined our other 20 municipalities in January. A wind of dynamism is already blowing through the region with the arrival of this municipality of industrial, tourism and cultural projects and which has sustainable development at its heart. The citizens of Brome-Missisquoi can be proud to live in our beautiful, green and healthy wine region!

Arthur Fauteux
Warden, Brome-Missisquoi MRC

The entry of Bromont into the Brome-Missisquoi MRC on January 1 was done with feelings of joy and enthusiasm. Citizens, business-people and elected officials recognize the natural links that unites us and which is our strength. Together we will develop sustainable projects for our residents and our visitors.

Pauline Quinlan
Mayor of Bromont
